Continuation of Substance of Interview including description of the general nature of what was discussed:

Previously agreed upon cancellation of claim 31 has been confirmed.

Also, the Examiner has initially believed that antecedent problems for "slot" are present in claims 26, 27, and 28 and suggested to replace "slot" with "chamber". However, the Examiner has later realized that these problems have been already addressed earlier in the Amendment filed on 04/18/05. Therefore, no redundant amendments have been made. For details, please see Examiner's Amendment attached hereto.
